Education

Georgian College, Barrie, Ontario Computer Programming (Co-op), 2022 – Present

- Coursework includes a focus on computer programming, web development, and designing data driven systems.
- GPA: 80/100
- Gained proficiency in multiple programming languages including Arduino, ASP.NET, C#, Java, JavaScript, HTML/CSS, PHP, and Swift.

- Experience in developing software for diverse platforms, including embedded systems, desktop, mobile, and mainframe systems.
- Strong emphasis on business and entrepreneurial values, problem-solving, troubleshooting, and system building through a series of applied assignments, projects, and co-op work terms.

MGMG Higher Secondary School, Ernakulam, Kerala, India 2020 -

2022 • GPA: 81/100

Employment Experience

Data Entry at G-Tec, Ernakulam, Kerala, 2020 - 2021

- Honed software skills and operated standard office equipment such as printers, scanners, and dictation machines.
- Effectively gathered relevant information, ensuring detailed editing, data analysis, and problemsolving.
- As a former student of this institute, I used to take some lessons on coding for my junior students.

Volunteer Experience

- National Cadet Corps (NCC), 2017 - 2019
- School Leader (IT Club), 2020 - 2021

Awards

State Level Presentation Competition Champion, 2021

- Created charts and 3D models for my PowerPoint presentation, which was based on my topic.
- Expertise in topic presentation.
- Won 20+ talented competitors at the state level.
- Received quality instruction from professionals.

Projects

We Hire, April 2023 [rosemaria-0/We_Hire \(github.com\)](https://github.com/rosemaria-0/We_Hire)

- Developed an application presenting the list of some jobs in Ontario and an option to search for a particular one with requirements.
- User login and registration options are also available.
- There is also a different option for the admin to access the app.

PortFolio, Dec 2023

- Developed a portfolio using MEAN
- Learned many bootstrap classes
